# TECHNOLOGY

**Experienced SaunaGrow Mentors will review Your Business and determine its technology potential and technical or organisational needs, as well as the possibilities and requires for the development of offered products or services.**

**Mentors will prepare solid recommendations, including identification of key technology requirements, giving the possibility to quickly implement some of the proposed solutions and will offer assistance in implementation.**

---

#### THE EXPECTED RESULTS OF THE PROCESS:

- It can be the basis for consultancy projects related to the implementation of dedicated technological solutions
- Enables to prepare the organisation for further development and improvement of its competitiveness in the market
- It can be response for the current problem situation

The whole process requires time for wise and careful analysis, hence the hourglass as a symbol of reflection on what we do, also in the area of advanced technologies.
